

## MATH 4 ANTIRACISM

Mathkind's Math 4 Antiracism initiative amplifies the voices of compelling innovators in mathematics education and related fields. It brings forward key issues and solutions connected to social justice. Your sponsorship will drive awareness of systemic inequities in education and help to prepare students with the critical-thinking skills they need to seek justice for themselves and others.

	Innovation \$2,500	Equity \$1,000	Impact \$500
